

CAPITAL Development Services

CapDev planned and help implement St. Martin's-in-the-Fields major expansion of its family and community room, resulting in a successful multi-million campaign.

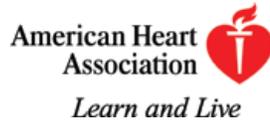

“After interviewing several consulting firms, we

hired CapDev... without question they did an outstanding job. Bottom line: I highly recommend CapDev without qualification.”

Warren Darby, Campaign Chair,
St. Martin's-in-the-Fields Episcopal Church

Having limited success in its own search for a candidate pool of qualified development professionals, two AHA regional chapters turned to CapDev to penetrate the market, which yielded a slate of extremely qualified and diverse applicants resulting in the immediate hire of top professionals for NC and VA.

“We were extremely impressed with the level of service and the quality of candidates their organization provided for us.

Within two months, Capital Development filled two key positions. What a great extension of recruitment for our organization! **You made us feel like we were your number one client!**”

Chanda Douglas-Ward, Senior Vice President of Human Resources and Talent Development, American Heart Association of the Triangle & Eastern NC

KNOWLEDGE • DEDICATION • RESULTS

CapDev has enjoyed an incredible successful relationship with the Boys & Girls Clubs of Wake County as it successfully planned and implemented an over \$12 million campaign, the largest in its nearly 50-year history.

“I’ve been in this business a long time and have been skeptical of fundraising counsel in the past,

but CapDev’s Counsel has made me think differently. Their expertise, strategy and guidance have made all the difference in this campaign. They kept us moving and are always diplomatic, working well with our leaders. I can’t seem to let them go.”

Ralph Capps, Executive Director
